Hi Paul,

Here is the location breakdown of our casual employees. As I have indicated previously we are doing a review of all casual arrangements.

I understand this number has changed slightly from the advice provided by Marian Heard on 30 April in relation to casual staff numbers.

Site	Number
Black Mountain	3
Campbell	1
Darwin	1
Dutton Park	1
Highett	6
Hindmarsh	4
Hob Mt Nelson	4
North Ryde	19
TownsvilleATSIP	3
Grand Total	42

Kind regards

Leanne

Hi Leanne,

I've noticed your 3(a) does not include the number and location of casual staff working in Education. Could you please provide this also.

Thanks,

Regards,

Paul.

Dear Paul,

Sorry I did think that I covered impact on location in a narrative but appreciate I didn't give you overall staffing numbers. I have pasted below a table covering the locations of staff in the Education and Outreach function (as at end April 2014). Clearly not the whole function is impacted directly by these changes but the impact could be felt at any of these locations as per the narrative provided. Most of the staff not directly impacted are in National Programs which are based in Canberra.

Adelaide	7
Brisbane	9
Canberra	24
Darwin	3
Hobart	3
Melbourne	10
Perth	1
Sydney	14
Townsville	4
Grand Total	75

Please call if I'm still not giving you what you want.

Regards

Leanne

Hi Leanne,

The 3(a) advice does not appear to give location details as required by the agreement. Can you please amend the 3(a) and include this information.

Thanks,

Regards,

Paul.

Dear Paul,

Here is the amended Clause3 (a) advice based on our conversation yesterday. Please let me know whether or not you are comfortable with the level of detail indicated or wish to chat further.

I have also attached

- A copy of the presentation for the staff meetings
- Copies of positions descriptions for “in scope” roles – these are subject consultation and feedback
- The proposed process and timeline - this is subject to consultation and feedback

Please let me know if there is anything else you require/want which I may have overlooked.

Kind regards

Leanne
